

Atrium Days

Local health and resource specialists monthly at The Robert "Sonny" Hill Community Center

FEATURING:

JOIN US AT ATRIUM DAYS

- Better access to information and activities to improve your health
- Atrium Medical Center staff will address different topics each month such as women's health, diabetes, heart health and more
- Iron Dawgz Training Academy will offer physical activity classes to promote overall well-being
- City of Middletown funding will provide bilingual support staff
- The Community Building Institute will continue to offer regularly-scheduled programming and services on Wednesdays, such as: playgroups for kids distribution of baby essentials including diapers, wipes and formula; GED and ESOL classes; and employment services, skills training and representatives from Butler County Job and Family Services.
